DRIVEN BY SOLUTIONS. DEFINED BY SATISFACTION.

With labor shortages, rising costs, and growing market demands, textile service providers are looking for practical ways to handle today's and future challenges. At EXPO-DETERGO, Kannegiesser will present its latest solutions in automation, robotics, ergonomic workplaces, sustainable processes, and smart logistics under the motto "Driven by solutions. Defined by satisfaction."

We look forward to your visit at EXPODETERGO 2026.

"Our industry is under strong pressure to improve efficiency, sustainability, and quality. We are focusing on technologies and services that help our customers meet these challenges."

"We are committed to developing tailored solutions that not only meet current market requirements but also help future proof our customers' businesses. The innovations we present at EXPODETERGO clearly reflect this commitment."
